LEADERSHIP & HONOR

Guiding the Way: Presenting the North Star Award

Recognizing exceptional leadership, steadfast guidance, and dedication to unhoused community members.

At Bread of Life, leadership means guiding individuals through some of the most challenging chapters of their lives toward safety, dignity, and independence.

We are thrilled to celebrate the official presentation of the **North Star Award** to **Brad Truman**!

> *"A leader always sets the trail for others to follow. Know the way. Go the way. Show the way."*

The North Star Award honors individuals who serve as a constant anchor for our organization, staff, and shelter residents. Brad's steady leadership, hands-on dedication, and ongoing guidance keep our teams aligned and focused on delivering compassionate, person-centered support.

Presented with an engraved glass compass award and permanent placement on the official Bread of Life North Star plaque, Brad sets an inspiring standard for service across Greater Kennebec County.

Empowering Veterans: Vets Inc. Program

Through transitional housing initiatives like **Vets Inc.**, Bread of Life delivers clinical case management, job training, and health services to unhoused veterans like Patrick — empowering them to regain personal stability and permanent housing.

Bread of Life Staff Appreciation & Tournament Winners

Our mission is powered by the passion and heart of our staff members. We recently gathered at Cushnoc Brewing Co. along the river for our annual Staff Day, enjoying team bonding, great food, and friendly competition!
